3.3.2   Marking the comprehension:

- Because the focus is on understanding, incorrect spelling and language errors in longer responses should not be penalised.

- For **open-ended questions**, no marks should be awarded for YES/NO/ or I AGREE/I DISAGREE. The reason/substantiation/motivation is what should be considered.

- No marks should be awarded for TRUE/FALSE or FACT/OPINION. The reason/substantiation/motivation is what should be considered.

- When one-word answers are required and the candidate gives a whole sentence, mark correct **provided that** the correct word is underlined/highlighted.

- When two/three facts/points are required and a range is given, mark **only** the first two/three.

- If a candidate uses words from a language other than the one being examined, disregard those words, and if the answer still makes sense, do not penalize. However, if a word from another language is used in a text and required in an answer, this will be acceptable.

- Accept dialectal variations.

- For multiple-choice questions, accept BOTH the letter corresponding with the correct answer AND/OR the answer written out in full.
